Bill Owen Managing Director Snack in the Box

"I feel very privileged to have had the opportunity to come along and I know that many younger members of the group were blown away by what they heard and felt. I really think every individual should be entitled to at least one session with you in their lives be it for business or personal reasons - it would save the NHS millions!"
Janet Mulligan, Business Development Manager, Ribby Hall Village

"Craig has huge energy, I would have no hesitation in recommending Craig to any large organisation looking to grow and develop."
David Cannon, Area Sales Director Regus

"I'd recommend Craig's services to anyone who wants to improve their effectiveness"

"The positive impact Craig has had on my team by energetically over-delivering on my expectations has helped us produce a record year!"
Ben Gibson, Sales Director, London Racecourses

Craig has a passion about people. His speeches focus on the power of self belief, learning how to see opportunities, setting and achieving goals, and creating an inner strength. This, in turn, is then applied to both a working environment, and social. Craig doesn't just teach you how to become successful in business, he leaves you firing to succeed in business and in life.
